Question:

The attached contract states that an OCP policy with a limit of \$1,000,000 may be required by the Town of Enfield. Are you able to confirm if this is required coverage?

Answer:

An OCP Policy is not required for this contract.

Question:

Has a Geo Tech survey or a soil sample been done recently at Green Manor Park?

Answer:

No. There is no data on file for a Geo Tech survey or soil sample.

Question:

Is the bidder responsible for using their own engineer for the project or can they use the Town of Enfield Engineer for the project?

Answer:

Based on the proposal package, this is a design/build project. Proposers are responsible for the project design as stated in the "scope of project", thus using their own engineer. The Town of Enfield Engineer can only assist in providing mapping.
